Mr. Antonio Riley  
Executive Director  
Wisconsin Housing and Economic Development Authority  
201 W. Washington Avenue  
Madison, WI 53701

Dear Mr. Riley:

RE: 2008 Affordable Housing Tax Credit Application Park Hill Townhomes

I am writing to express my support for the affordable housing tax credit application for the Park Hill Townhomes proposed by Crown Court Properties.

This project will complement the recently rehabilitated Park Hill Senior Apartments, a subsidized senior housing project which neighbors the site. The proposed townhomes will also provide high-quality housing opportunities for residents in the surrounding Harambee neighborhood.

We wish Crown Court Properties success in the development process and hope you will give favorable consideration to their application.

Sincerely,

TOM BARRETT  
Mayor
